

3rd Practical Checklist

Topics: Muscles of the pectoral region, back and shoulder regions

Know origin ,insertion ,nerve supply ,action and location of the following muscles

I-Muscles of the pectoral region

1. Pectoralis Major
2. Pectoralis minor
3. Serratus anterior

II- Muscles of the back

1. Trapezius
2. Latissimus dorsi
3. Levator scapula
4. Rhomboids major
5. Rhomboids minor

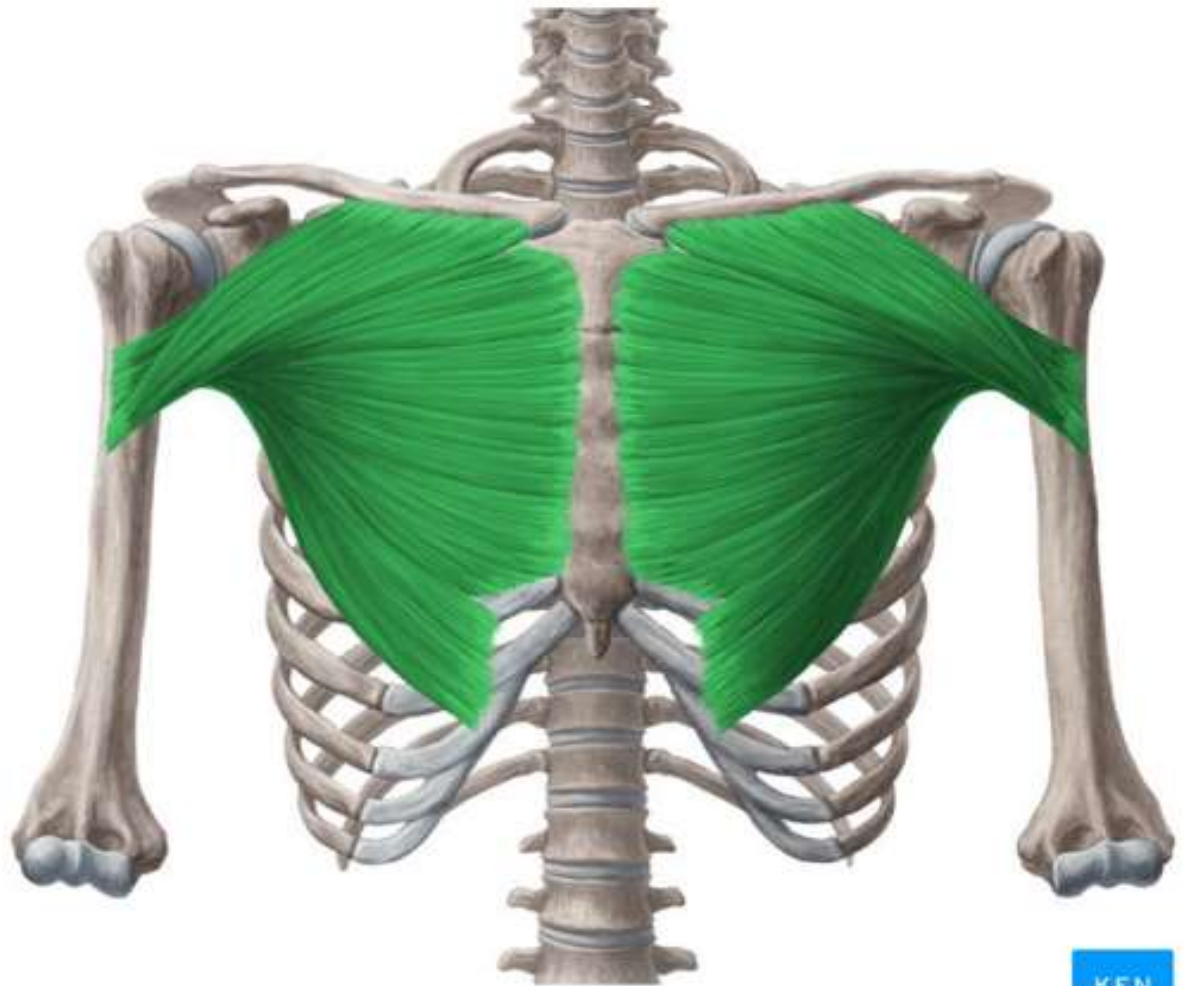

Regarding (Levator scapula , Rhomboids minor and Rhomboids major)

Know nerve supply and action only

III- Muscles of the shoulder

1. Deltoid
2. Supraspinatus
3. Infraspinatus
4. Teres minor
5. Teres Major
6. Subscapularis

Pectoralis Major
