

Identify the Following

Gluteal Region

1. Gluteus maximus
2. Gluteus medius
3. Gluteus minimus
4. Piriformis
5. Superior gemellus
6. Inferior gemellus
7. Obturator externus
8. Obturator internus
9. Quadratus femoris
10. Sacrotuberous ligament
11. Sacrospinous ligament
12. Superior gluteal artery
13. Superior gluteal nerve
14. Inferior gluteal artery
15. Inferior gluteal nerve
16. Internal pudendal artery
17. Pudendal nerve
18. Nerve to obturator internus
19. Posterior cutaneous nerve of the thigh

Posterior Compartment of the Thigh

1. Long head of biceps Femoris
2. Short head of biceps femoris
3. Semimembranosus
4. Semitendinosus
5. Sciatic nerve

Popliteal fossa

- 1- Medial and lateral heads of gastrocnemius and plantaris
- 2- Popliteal artery and vein
- 3- Tibial nerve
- 4- Common peroneal nerve
- 5- Posterior cutaneous nerve of the thigh
- 6- Small saphenous vein
